## Chapter 1 by ken ville

My little sister's crush on the pop singer bustin jeiber was turning into something far worse than an innocent affection towards him.

It was now more like a cancerous plague, which if not eradicated could kill her taste in real music.

I had to do something, I had to take out this bustin. He had to die.

I had to do it for my sister.

So I made a plan.

## Chapter 2 by Flower234

It took me a while to make sure that my plan was real and that i was not trippen. So i read it over and over and look at all my details. At thing moment i new that i was ready to get this done. I started with the newspaper that made sure that this Jeiber was for from gone.

Once i was done with the newspaper i read it and made sure it looked real My sister is only 7 so she would believe anything but i do have to make it look close to real. After that was done i would have to make an account on a news blog and post that This "Pop Star" has died in a car reck. The last thing i red was he got in a large fight with a fan from coming back from a bar his 'staff' held him back because he was really close to breaking the fans noise and that would be a bad thing to put on the TV or his reputation.
